Which Leadership Styles Best Describe What's Going On in Your Company?

1. **Transformation Leadership:** Inspires and motivates employees with a common goal and challenges them to innovate and excel.
2. **Autocratic Leadership:** One person makes all the decisions and expects everyone to follow.
3. **Servant Leadership:** Leaders help and support their team, putting their team's needs first.
4. **Laissez-Faire Leadership:** Lets the team decide with little interference.

If your workplace was a weather condition, what would it be?

**Sunny
&
Warm**

**Cloudy
with a
Change
of Rain**

**Stormy &
Turbulent**

**Calm &
Breezy**

What elements contribute to this “weather” condition?

What are the three words or phrases that first come to mind when you think about your company's core values?

Education Sponsor

A/V Sponsors

Conclusion:

Our companies possess a unique DNA.

This becomes evident in how we function and connect with one another and the broader community. Our values, actions, and priorities reveal this identity to our team and customers.
